INFORMATION DISCLOSURE STATEMENT

Dear Sirs and Mesdames:

In an abundance of caution, Applicant desires to bring to the attention of the Examiner the enclosed opinion of the European Patent Office on a Opposition filed against issued EU Patent No. 923592B1, which is the EU counterpart of US Patent No. 6,011,148. Related documents including the respective EU Patent are also submitted. The instant application claims priority to the application that issued as US Patent No. 6,011,148 and is related as a continuation-in-part application. The claims of the instant application are believed to be considerably different from those of opposed EU Patent.

Submission of this Information Disclosure Statement should not be construed as a representation that a search has been made or that no other material information as defined in 37 C.F.R. 1.56(a) exists. This submission is not intended to constitute an admission that any patent, publication or other information referred to herein is "prior art" to the invention disclosed unless specifically so designated. The right is reserved to antedate any item under 37 C.F.R. 1.131. A fee authorization debiting Deposit Account No. **50-1922** in the amount of \$180.00 as set forth in 37 C.F.R. 1.17 (p) for submission of an Information Disclosure Statement under 37 C.F.R. 1.97(c).

It is not believed that any further fees are required for consideration of this material but should additional fees be required for consideration, please consider this a request for consideration under the appropriate rule and an authorization for the Assistant Commission to charge and/ or credit Deposit Account No. **50-1922** should any additional fees be required or overpayment made.

Respectfully submitted,

//mmhu//
